IP67 18W ASYMMETRIC DRIVE OVER LED GROUNDLIGHT

R18ASGL

Diameter(mm):	165
Depth(mm):	Fitting: 90 Sleeve: 110
Cut-out(mm):	Fitting: 196 x 108 Sleeve Ø: 110
Asymmetric elevation angle:	45°
Beam angle:	25°
Box Quantity:	1
Max Power(W):	18
Weight (Kg):	1.6
IP:	67
Guarantee:	2

This IP67 rated fitting utilises the latest energy efficient high power LED technology combined with very high quality materials to produce a really great energy efficient alternative to traditional light source fittings. Its major advantages revolve around the benefits of LED with savings in maintenance and heat output where LED's outlast traditional light sources by 5 - 10 times. Used in domestic, retail, hotel or commercial installations, its applications include illumination for:

- Plants
- Shrubs
- Trees
- Walls
- Paths
- Ponds and fountains
- Walkways
- Decking
- Statues
- Entertainment venues
- Garden features
- Interior or exterior feature displays

FEATURES	BENEFITS
• 6 x 3W Asymmetric mounted high flux LED's	• Energy efficient
• Integral driver	• No separate IP box required
• 50,000 hour average LED life	• Low maintenance costs compared to halogen
• Less sensitive to outdoor cold temperatures	• No lamp changes required over product lifetime
• Cool running	• Cool to touch so safe where children frequent
• No UV or infra-red	• Will not burn, damage or fade leaves, flowers or other sensitive displays
• Pre-wired with 0.5m waterproof flex	• Not fitting termination required to damage IP rating
• Deep sleeve	• Allow plenty of room to accommodate junction box
• Separate IP67 rated junction box	• Includes and provides waterproof connection
• Loop in - loop out facility	• Easily allows connection of more fittings
• Die-cast aluminium body	• Looks good
• Grade 316 stainless steel trim	• Strong and durable less susceptible to damage • Will not rust
• Toughened glass	• Suitable walk over applications
• IP67	• Suitable for internal & external applications
• 2 year guarantee	• A quality energy efficient long life product • Fit and forget - peace of mind
